Property Description

Many people dream of living in Guanacaste near the beach, surrounded by nature with space and privacy, but hesitate because of security concerns. We've got you covered. Montaña del Mar is an exclusive gated community in the heart of Guanacaste, Costa Rica, along 27 de Abril Road, offering privacy, natural beauty, and 24 hour security. Just 20 minutes from Tamarindo and close to pristine beaches like Playa Avellanas and Playa Junquillal, it delivers the ideal balance between seclusion and connection. The community features 47 spacious estate lots starting at 5,000 m², thoughtfully integrated into a lush landscape of tropical trees, wildlife, and open skies. Almost every lot enjoys mountain and or valley views. Homes are surrounded by nature rather than neighbors, creating a peaceful setting ideal for full time living, retirement, or long term investment. Despite its tranquil feel, everyday amenities including restaurants, grocery stores, schools, medical services, and surf towns are a short drive away.
