Property Description

Casa Marbella Infinity is a 6,700 square foot coastal estate located in the Las Golondrinas gated community of Hacienda Pinilla in Guanacaste, Costa Rica. Set within one of the northern Pacific region's most established beachfront communities, the residence offers architectural scale with immediate access to Playa Mansita through a private three-minute trail. Positioned within a 4,500-acre gated setting that includes golf, beach club amenities, and surf, the home offers a comprehensive coastal lifestyle. The architecture centers on volume, light, and seamless indoor-outdoor integration. Travertine marble floors extend beneath high ceilings, guiding the eye through walls of glass toward the infinity-edge pool that anchors the social areas. The pool reflects the sky and surrounding greenery, creating a visual focal point that connects the residence to its tropical setting. Manicured gardens and sun decks frame the home, offering both privacy and a living backdrop of native landscape.
