Property Description

Located in the hillside community of Corona del Cabo, just 10 minutes from Playa Grande and 20 minutes from Tamarindo, this gated ocean view estate offers a rare combination of privacy, scale, and flexibility in a highly desirable coastal setting. Set on approximately 1.5 acres, the property features a thoughtfully designed 7-bedroom, 6.5-bathroom layout composed of a main residence and multiple detached casitas. The main home is centered around open-concept living spaces with expansive glass openings that frame the surrounding landscape and lead directly onto a spacious outdoor terrace with an infinity-edge pool overlooking the Pacific. The primary suite is privately positioned with its own terrace and en-suite bathroom, while additional bedrooms are distributed between the main home and separate guest structures—each with independent access—creating a true compound-style property suited for full-time living, hosting, or high-performing rental use.
