Property Description

Located within the exclusive gated community of Hacienda del Mar, this expansive 3,337 m² (35,919 sq ft) ocean view homesite stands out as one of the largest lots in the development and enjoys a private position at the end of a quiet cul-de-sac. With beautiful views across Bahía Culebra and the Papagayo Peninsula and colorful sunsets drifting into the Pacific, this is an exceptional setting to design a luxury home surrounded by nature. The property is fully serviced and ready to build, with paved roads, underground utilities, and 24 hour gated security already in place. The property includes a professionally developed preliminary architectural concept with geotechnical study, offering buyers a strong starting point for a luxury residence. This design can be used as is, priced with qualified contractors, or adapted to suit personal preferences. Hacienda del Mar is a high-end residential community created for those seeking privacy, comfort, and access to resort-style amenities close to the beach.
