Property Description

This 8,009.86 m² land parcel, located within Quintas Esencia in Esparza, offers a rare opportunity to secure a generously sized property in a peaceful, nature-oriented setting. The lot features a mostly flat topography, ideal for construction, with a gentle slope toward the rear, providing flexibility for site design while maintaining usability. The property is naturally wooded, with mature trees distributed throughout, offering shade, privacy, and a strong connection to the surrounding environment. The open areas visible in the front and central sections suggest practical building zones, while the rear incline adds depth and character to the land without compromising its overall functionality. Set within an established residential community, this property is well-suited for those seeking space, privacy, and a tranquil lifestyle, while remaining within reasonable reach of Esparza's services and main access routes.
