Property Description

A bright & modern 3-bed home offering TOTAL jungle emersion, a sunny elevated location, river frontage, a rainforest-backed swimming pool and unique indoor/outdoor living rooms – AND just a quick nature-walk away from the services and amenities of Plaza Ventanas! OVERVIEW This wonderful home, a modern masterpiece of function and lightness, is designed to take full advantage of the towering jungles that surround the property. Located on Cinco Ventanas road's quiet, parallel off-shoot, this house is fully separated from the already sparse local traffic and enjoys total peace & serenity. Towering rainforests surround this 2.18 acre elevated property from every direction – a wall of green that creates a magical vibe you will never grow tired of. A crystal-clear mountain river, draped in jungles, winds her way around the lot. And if you envision a bigger project, the neighboring property is also for sale.
