## Property Description

Delivering yet another standout design for the Senderos Community, perfectly positioned on a lush jungle-view homesite with a “sneak peek” ocean view from the rooftop terrace. This 4-bedroom, 3.5-bath home pairs contemporary comfort with effortless indoor-outdoor living. A bright, open-concept layout flows to a spacious covered terrace, while a two-car garage, gourmet kitchen, outdoor BBQ area, premium finishes, and an outdoor shower round out the features for life in paradise. At the heart of the property is a dramatic glass-front infinity pool—the true showpiece—framed by a stunning living wall and a cascading water feature that adds both movement and serenity. Upstairs, the rooftop terrace is designed for sunset lounging and entertaining, capturing glimpses of the beaches to the south while looking out over the vibrant jungle canopy below. Balanced, distinctive, and true to the WR Architects “natural modern” signature, Tree Top Retreat is a must-see in Senderos.
