Property Description

Set within the highly desirable hills of Escaleras, Casa Artística offers a peaceful elevated retreat perfectly positioned between Uvita and Dominical—an ideal setting for those drawn to the relaxed elegance of the Dominical coastal lifestyle and its blend of nature, creativity, and ocean influence. The property begins with a discreet wooden gate framed by towering bamboo, leading down a private driveway enveloped by mature greenery. Perched on a solid steel structure approximately fifteen feet above the forest floor, the home opens directly to the canopy, benefiting from year-round ocean breezes and soft sunset light. Its location provides rare seclusion with easy access to beaches, waterfalls, services, and Scala Plaza—home to a restaurant, specialty market, and spa—located less than one kilometer away. Explore more about the region through Dominical real estate. The residence reflects a curated blend of craftsmanship, imported materials, and historic character.
