## Property Description

Casa Flamingo stands proudly on one of Pacifico's most elevated and premium ocean view lots, offering a level of modern architecture and design that is rare to find in Playas del Coco. Clean lines, geometric forms, and a full glass façade frame the sweeping views of Coco Bay, the coastline, and the surrounding hillsides that change colors throughout the day. On the main level, the home opens to a sophisticated social area where dark stone floors, warm wood accents, and minimalist lighting create a calm, modern atmosphere. Floor-to-ceiling glass doors expand the entire width of the room, giving you uninterrupted views and a seamless connection to the terrace and the elevated infinity pool. Suspended over the hillside, the pool feels like it floats, capturing sunsets, the blue bay, and the lights of town in the evening. This level also includes a spacious bedroom suite, a half bath, and a beautifully designed kitchen and living area that blend comfort with refined contemporary style.
