Property Description

Pre-Construction Opportunity This modern hideaway was created by the amazing team at WR Architects with one thing in mind: Let's match the perfect modern tropical home with the perfect tropical/jungle setting. Cascading down the ridge and enjoying uninterrupted views to the Southwest towards the Playa Langosta Estuary and adjoining wetlands, this home enjoys whitewater views as well as jungle/canopy to the South East. Six bedrooms with six en-suite baths are complemented by 2 additional powder rooms – with 3 of the bedrooms serving as Master Suites! As always, a spacious open plan is utilized to maximize views and entertaining with friends in the gourmet kitchen/living and dining area. Outside terraces lead to the infinity pool which is flanked by a generous covered terrace plus sunken living/social area. Outdoor kitchen and BBQ areas are ample and designed to easily entertain friends and family in style.
