Property Description

Introducing Villa La Sata, a sublime beachfront estate of exceptional quality perched atop the cliffs of Playa Flamingo, Costa Rica's exclusive resort community in Guanacaste. As you pass through the front gate, Flamingo Bay's iridescent waters and white sand beach are laid at your feet, like a peace offering. Considering the estate is named for a place of peace, the metaphor seems appropriate. Carved out of the side of a hill of the stunning half-moon shaped Flamingo Beach, La Sata's contemporary Mediterranean lines stand out brilliantly against the multi-hued Pacific Ocean below. Together, the 4-bedroom main house, 2-bedroom guest house, and 2-bedroom gatehouse span over 9,500 square feet of air-conditioned area, meticulously planned for effortless tropical living. Elaborate folding glass wall systems allow indoor spaces to blend seamlessly with the outdoors. The selection of fixtures, furniture, and furnishings is exquisite.
