Property Description

We are delighted to offer two exclusive lots within a 30+ hectare property in Pilas de Bejuco, Guanacaste. Ideally located at the entrance of the property, both lots provide direct access from the public road, electricity and water on-site, and spacious platforms already prepared for construction, ensuring that these lots are ready to accommodate your vision, whether for a private residence, retreat, or boutique hideaway. The setting is defined by spectacular views—stretching across Corozalito, Playa Bejuco, and reaching as far as Cabo Blanco. Convenience meets exclusivity with Punta Islita Airport only minutes away, allowing private flights directly into the region. Liberia International Airport is a three-hour drive or a 15min flight while some of Costa Rica's most sought-after beaches are close by: Santa Teresa and Montezuma to the south, and Sámara to the north. With unmatched panoramas, complete privacy, and an authentic connection to nature, Lot 1 and Lot 2 present a rare opportunity to create your dream property in one of Guanacaste's most beautiful coastal regions.
