Property Description

This property highlights a beautifully landscaped, fully functional home situated near Dominical, Costa Rica. The features include extensive outdoor amenities such as underground sprinklers, a water feature pond, diverse trees and indigenous flowering plants. It offers secure, gated access with electronic controls and covered parking with wheelchair access to the house and the pool. The home has a great indoor/outdoor kitchen and rancho, with a huge covered sitting lounging area at the front of the house next to the pool. Three of the five bedrooms have deep porches directly connected to the rooms. The kitchen has all new granite counters and a custom-made island with a one-piece Guanacaste top and two matching stools. On the second level, there are two large bedrooms, a sitting area that would make a great office, and a huge outdoor porch for sunning, yoga, evening star gazing, and more.
