## Property Description

Perched above Costa Rica's Pacific coastline, Hermes Villa is a masterpiece of contemporary design, offering breathtaking views of Playa Ostional. The villa's prime location is just 15 minutes from the coast. Ostional: Spanning 510 hectares of land and 8,054 hectares of marine territory, stretching along 14 kilometers of coastline that includes the beaches of Ostional, Nosara, Pelada, and Guiones. A standout feature is the extraordinary "arribada," a breathtaking natural event where thousands of turtles come ashore to nest, transforming the beach into a vibrant spectacle of life. Hermes Villa features a spacious and functional layout with 4 bedrooms, including the showstopping "Bird's Nest" primary suite. Elevated above the main house, it offers unparalleled privacy and panoramic ocean views. The remaining bedrooms, located on the main level, have direct access to the pool area, with one of them featuring an ensuite bath.
