## Property Description

Welcome to Casa Manta Ray, a beautiful brand new luxury 6165 sq ft home with breathtaking ocean views, located at the top of the gated Miramar neighborhood in Mar Vista, Playa Flamingo. This exceptional property was designed and built by the famous Costa Rican architect José Mora. This special home has a shape that resembles a manta ray and offers many unique architectural features and includes curated, large, original paintings by José Mora throughout the home. There are travertine floors and walls throughout, venetian stucco walls and ceilings, locally hand-crafted melina wood furniture, custom artwork, and full walls of glass facing the Pacific Ocean. Upon entering through the huge wooden door, you are greeted by a bright and airy open living area. This layout boasts a neutral color palette with abundant natural light as the back of the house is all glass that frames captivating ocean views and opens up to the covered outdoor space.
