Property Description

Sunset views over the Pacific Ocean set the tone at Casa del Atardecer, a home where daily life is shaped by light, sea breezes, and the quiet privilege of looking out over the water. Located in the Altos del Cacique neighborhood, between Playas del Coco and Playa Hermosa, this home offers a balance that many buyers seek in Costa Rica. It feels peaceful and private, yet remains close to beaches, restaurants, and everyday services. From here, the rhythm of coastal living comes easily, whether that means slow mornings, afternoons by the pool, or evenings watching the sky change color as the sun sets on the ocean. The home is designed to be enjoyed with others. The main level brings together the living, dining, and kitchen areas, opening naturally to the pool and garden, a space that invites long conversations, shared meals, and time outdoors. Two bedrooms on this level share a full bathroom, making it comfortable for family and visiting friends.
