Property Description

Between the warmth of the sun and the freshness of the shade, Jenna is a space where the essence of the tropics comes to life. Inspired by the swing of the palm trees and the sweet aroma of the Plumeria, this house invites you to disconnect, to listen to the sounds of the wind and the sea, and to find peace in the simplicity of every moment. Its name comes from the Plumeria Jenna, a flower of pink and soft tones that symbolizes delicacy, tenderness and connection with the senses.
