## Property Description

Escape to your own private hilltop retreat in Uvita, where 2.5 acres of pristine land offer unrivaled privacy, 300-degree panoramic views of the Pacific Ocean and the lush jungle-covered mountains, and a front-row seat to Costa Rica's natural beauty. This rare property is surrounded by untouched rainforest, creating a serene, secluded environment with no close neighbors—perfect for those seeking peace, privacy, and a deep connection to nature. The expansive, cleared hilltop offers an ideal building site with sweeping vistas in every direction. Accessible via a private driveway and a new gate, the land is just minutes from the center of Uvita, offering the ideal blend of seclusion and convenience. Whether you're looking to build a luxury residence, boutique retreat, or eco-conscious getaway, this is a true one-of-a-kind opportunity. Property Features: • Near 2.5 acres with elevated, buildable land • 300° views of ocean, mountains, and jungle • Secluded hilltop location with no close neighbors • Surrounded by nature and wildlife • Private driveway with easy access • Less than 10 minutes to Uvita's beaches, shops & restaurants • Excellent potential for private estate or eco-development • Property comes with legal water and electricity With views this breathtaking and a setting this rare, this Uvita hilltop sanctuary won't stay a secret for long.
