Property Description

Unlock the potential of this stunning 0.25-acre (1,002 m²) mountain lot in Santa Marta, Hojancha, Guanacaste—the perfect location for your dream estate. Once pasture land, this property has been meticulously cleared and is ready for your building plans. Breathtaking views of the surrounding mountains and rolling hills await you, ensuring that your future home will be a picturesque retreat. The lot is zoned for one main residence, with the option to add casitas, providing ample space for guests or additional rental opportunities. The flat terrain allows for easy construction, making it a seamless choice for your new build. Access is convenient, with well-maintained roads suitable for any type of vehicle. Come explore this beautiful property and start envisioning the mountain lifestyle you've always dreamed of!
