Property Description

Introducing Casa Jaibiru, a stunning testament to modern design with still a touch Costa Rica, nestled in the serene hillside community of Santo Domingo, just a 15-minute drive to Carrillo Bay and to the center of Samara. This custom new construction property spans 3283 sqft on a .30-acre lot, offering 4 bedrooms and 3 and 1/2 bathrooms. Inspired by the graceful wings of birds taking flight over the ocean, the architecture seamlessly integrates nature and the breathtaking views of Sámara beach. This two story property have breathtaking view out of every window. Step into the main living area on the second floor of the home and immerse yourself in a panoramic 180-degree views of the ocean, courtesy of expansive glass doors that lead to a glass-railing covered deck. Imported flooring from Spain graces the floors throughout, while the modern kitchen boasts custom cabinets, a large island, and exquisite lighting.
