Property Description

Welcome to a truly unique property nestled amidst the breathtaking landscape of 42,248.04 square meters. Here stands a remarkable Mushroom (Hongo) type house, one of only three of its kind in the world. Perched atop a gentle rise, this architectural marvel boasts an average area of 220 square meters and stands 8 meters tall, commanding panoramic views of the Brasilito Mountains from every angle. As you step inside, you're greeted by a spacious dining room and an inviting integral kitchen, perfect for culinary adventures and entertaining guests. The master bedroom exudes comfort and elegance, complemented by two guest rooms, each with its own bathroom adorned with high-quality wooden furniture. The house is equipped with air conditioning in every room. A distinguishing feature of this home is its circular corridor enveloping the entire diameter, offering an uninterrupted 360-degree vista of the surrounding natural splendor.
